Parish Council AGM and Parish Assembly

Monday 11th May, 7.30pm, Village Hall
ANNUAL GENERAL MEETING (7.30pm)

Come and listen to the activities of the Parish Council and we welcome comment and contribution. Future objectives for the village for 2015/6.

PARISH ASSEMBLY (8pm)

The Village Committees

Short presentations from each committee

Come and hear all about the activities of the West Ilsley clubs

Please do attend or forward comments via the Clerk. We look forward to seeing as many as possible at the AGM and Assembly.

GREEN SPACES IMPROVEMENTS

Improvements voted for by the village have now been made:

1. Two benches are in place on the terrace by the tennis court, overlooking the cricket pitch
2. The recreation ground fence has been replaced
3. The Tennis Committee has been reimbursed for the removal of the dead trees around the court - many thanks to the village for supporting this.
4. The mobile rugby/football goals are in place and being well used.

A job identified during the green spaces discussions which required muscles not money was the removal of the accumulated chalk, soil and blackthorn brush in the graveyard. This was done a couple of weeks ago by a magnificent team – an email of thanks has already gone round, with before and after photos – do have a wander up there for a look – it is a sight to behold!

Another job identified for the churchyard was to trim up the hedge on the way up to the graveyard - Giles has now done this too - on behalf of the village, many thanks to him.

TENNIS COURT WIND BREAK

You may have noticed that the wind break purchased for the tennis court has not been as successful as we hoped despite being designed for exposed courts. We now understand that the uprights which hold the perimeter netting are not robust enough for a wind break as well, so we need to re-think.

We are considering all of the options, one of which is to leave the court without a wind break and we are asking players to feed back to us on the occasions when the wind affects the quality of their play during the 2015 season. We will review the feedback at the end of the season and if it suggests that the problem is significant we will look for an alternative solution.

The West Ilsley Campout is back!

Sat 20th June 6pm – Sun 21st June 10am
 At Park Wood, West Ilsley by kind permission of the Carlisle Family

Following many years of success the village campout is back! This is an event for all villagers and ex-villagers. For the children an adult and tent are required. You will need to bring all your overnight camping kit and your own food for the BBQ and your breakfast the next morning plus refreshments!

We would love to see as many villagers as possible. It is a great event for the kids but we do ask that you only bring village children as the idea is for them to spend an evening together regardless of age. Adults are welcome to come up for the evening if they like.... It's fun for everyone! A night game is organised at dusk for those who are up for it – bring your torch! The kids are also asked to gather wood for the fires.

The campout is located one mile outside the village. Take the Catmore Road out of the village and Park Wood will be signposted. Cars are kept down the lane so that we are closer to nature than our car! We light a BBQ at 7ish so you might like to bring snacks for younger kids. The fire pit is lit and you may like to bring a chair to sit by the fire. Tents

are pitched around 6ish. First come, first served. A portaloos will be put on site for your comfort! Please DO NOT bring dogs. We do ask for a £10 donation per family to pay for the site preparation and portaloos.

We will go ahead whatever the weather.

If you would like to come please book in with either Angela and Alison and drop your £10 cash through Angela's door with your name on it. Any questions please ask. Please do come and encourage others to join in. Our record is 22 tents!

Please remember all children, regardless of age, must be accompanied overnight by a responsible adult.

Finally, one thing for sure you will return tired, dirty but with happy memories!

Easter Services

It was lovely to see so many in church enjoying the beautiful flower decorations over Easter. Thank you to everyone who made All Saints' look so stunning.

Annual Parochial Church Meeting

This was held recently in All Saints' and once again Ian and Alexandra were elected as Churchwardens. At the meeting the Revd John Toogood welcomed new members to the PCC and showed his appreciation to all who had contributed to All Saints' in so many different ways during the past year, including his colleagues, the Revd Lady (Denise) Brown and the Revd Douglas Dales.

The Downland Ascension Day Service on Thursday 14th May will this year be held in Great Shefford Church, at 7.30pm and will be followed by refreshments. Everyone is invited.

Café Church

The next one will be at St Mary's Church, Chieveley at 11.00am on Sunday 17th May. It is an informal service for everyone, with live music and an emphasis on families with young children.

It has proved to be very popular with all ages, so come along at 10.45am for coffee and cake beforehand.

31st May - Fifth Sunday Communion Service

West Ilsley is hosting a United Benefice Holy Communion service at 9.30am on 31st May. Do try and join us, as friends from other parishes in the benefice will be worshipping with us at this service. It is a great opportunity to meet our neighbours from the rest of the benefice.

Thank you

A belated 'thank you' to all those who kindly helped with the Spring Clean inside and out, before Easter. Also, thanks to all those who worked so hard clearing shrubs, saplings and a great pile of chalk from the upper graveyard recently. It has made such a difference and our thanks must mention Andrea for instigating and seeing it through, as well as providing the refreshments. We would also like to thank Giles who has relaid the gravel path up to the church door which has greatly improved the view of the church from the road. Its narrowness has been mentioned from time to time but it is now possible to walk into the church side by side (handy for Harriett and her bridesmaids), as well as looking better in those all-important wedding photos. Many thanks Giles.

Diary Date

A Pet Service at 11am, followed by a Picnic Lunch in the churchyard, will be held on Sunday 14th June. Put the date in your and your pets' diaries now!

Contacts

If you have anyone or anything specific you would like mentioned in church prayers at services throughout the year, do speak to either Ian (281625) or Alexandra (281306). To receive by email a copy of the weekly pew sheet, which contains readings, prayers and notices about church events in the benefice, please contact eastdownland@btinternet.com

If you would like to organise a baptism, wedding or funeral or would like to talk to a member of the clergy for any other reason, email Revd John Toogood at edownlandrector@gmail.com or ring him on 01635 247566.

MALTHOUSE WELL - Mel Cook

The well level has dropped just over 1 metre during April and, as shown on the graph below, the downward trend is now well set to continue into the summer especially as the last couple of months have been quite dry.

Groundwater levels in West Ilsley rise and fall with the seasons normally reaching a peak in the spring following replenishment through the late autumn and winter when losses by water evaporation and plant uptake are low. The Malthouse well is typical in this regard and in fact this year it peaked on 23rd March. Unless we get an exceptional period of rain the groundwater level should continue downwards through the summer and early autumn until the beginning of next winter.

LITTLELIFE SCOOTATHLON 2015

Thank you to everyone kindly supporting our young granddaughter, Lucy, in her endeavour to raise money for WaterAid in a forthcoming Scootathlon. (WIN note circulated Fri, 10 April). The generous response and lovely messages are much appreciated, especially knowing the call upon us all these days to support so many worthwhile causes. The Scootathlon event takes place on 17th May at Dorney Lake (venue of the 2012 Olympic rowing and canoeing) and involves scootering, cycling and running. We will be cheering her on and will let you know how she got on and the amount of money raised in the next issue of the WIN. Avice & Alan

APRIL'S FARMING NEWS

April has been one of the driest months for many years and we are looking forward to some much needed rain which is forecast. The growth of the newly planted Spring Barley is slow at present due to lack of rain and the chilly nights. The autumn sown Winter Wheat and Winter Oilseed Rape crops seem to be holding their own.

The young lambs are looking well and have enjoyed an excellent start with the warm spring sunshine. They have received at six weeks of age their first dose of Anthelmintic for worm control. The 110 one year old ewe lambs will start lambing in early May at Folly and this should only last for ten days or so.

Dear all,

April now and tis high time I told of money ring fenced in the Parish Council bank account for future creative use. The ring fence was entitled CCTV (Creative/cultural TWITS (the west Ilsley theatrical society -resurgence of the name of the last production company) Village) fund. A total amount of: £812 (I've £20 late arrival cash, in a tin for ultimate accounts transparency!). Think of something bonkers to spend it on :o)... I've already too many ideas, but let's meet up in the early autumn and not let that cash stagnate.

Bestest wishes, as always,

Marnie

Bill, our old postman, helping me hawk the last of the Panto merchandise back in Feb. The gent' and the loonm, bless him. (Spartacus Popty Ping thought it too ridiculous to be considered).

THE DOWNS SCHOOL - HOW CAN WE SUPPORT THE WIDER COMMUNITY?

The Downs School is proud to provide education for students across the Downlands area. We would like to find out if the school could help the wider community, either by offering its buildings for use by local groups, or by putting on events and services that people can't already get locally.

If you have suggestions about how the school could provide such support then we would like to hear from you.

Contact us by post, email or telephone.
