## EDITORIAL POLICY

We are editors (though we don't edit unless we have to) – we are not reporters, so we only write something if we want to. We rely on villagers to contribute news and information and welcome updates from groups, committees and businesses to let the village know what is going on in their area of interest.

## DISTRIBUTION

Our aim is to reach every dwelling in the village. Most homes have signed up to receive WIN by email, but for those who haven't, the Parish Council produces paper copies which are delivered by volunteers. If you have received a paper copy of this newsletter but have access to email, please join the email distribution list by contacting [westilsleynews@westilsley.org](mailto:westilsleynews@westilsley.org) – help to save paper and shoe leather!

## PARISH COUNCIL UPDATE

Progress at last - we have now purchased our own Vehicle Activated Sign (VAS). This is a mobile device that we can position within the village in order to alter driver behaviour. The device is similar to the one West Berkshire Council (WBC) installed temporarily at the eastern end of the village and it does record traffic and speed data, which can be analysed and passed on to WBC. The device has been match funded by WBC and we would like to thank Carlyne Culver and WBC for their help in this, as well as Justin Gilbert who was instrumental in the whole exercise. We will be taking delivery of the device soon and although Liz Dray will be the lead, we will be looking to recruit volunteers to help to deploy the device and monitor driver behaviour throughout the village.

## POLITE NOTICE

Please refrain from feeding the ducks – we already have a large number which will start breeding shortly (if not already) and, unfortunately, we have received reports of increased sightings of vermin. Many thanks for your co-operation.

WIPC has received information from West Berkshire Council as follows:

### West Berkshire Council needs your opinion about the upcoming separate food waste collections service

We have launched a [survey](#) ahead of the roll out of our separate weekly food waste collection service and would like to encourage everyone who lives in West Berkshire to take part in the survey. The survey is now open and will close at midnight on 3 May 2022 and takes around 5 minutes to complete.

As part of the new service, starting in autumn 2022, food waste will be collected weekly, but on the same day as your usual recycling and rubbish collection. We currently collect food waste every fortnight in your green bin, with your garden waste if you are subscribed to that service. As with all our recycling and rubbish collections, the service will be operated by our waste contractor, Veolia UK, who will collect the food waste using eight new purpose-built vehicles.

We are asking for residents views to help us better understand your recycling habits, whether you think it's important to recycle food waste, and if you'd use the new service when it starts during autumn 2022. We'd also like to hear from people who don't currently recycle their food waste to find out what, if anything, is stopping you from doing so.

You can find further information regarding the service and survey [here](#).

Residents can request hard copies by contacting us at [recycle@westberks.gov.uk](mailto:recycle@westberks.gov.uk) or by calling 01635 519080. Please bear in mind that our phone lines are very busy at this time of year so please only call if absolutely necessary.

### UPDATE FROM CAROLYNE CULVER

#### DISTRICT COUNCILLOR FOR RIDGEWAY WARD

My latest newsletter is currently at the printer so I will keep this brief rather than repeat everything. It will reach you as soon as my legs can carry me around the ward.

One thing I would like to say because of its urgency, is that I have been contacted by residents who want to help the people of Ukraine. I would urge residents to donate to the Disasters Emergency Committee [www.dec.org.uk](http://www.dec.org.uk) or British Red Cross [www.redcross.org.uk](http://www.redcross.org.uk) if they would like to help. WBC has set up a Ukraine Support Hub which can be contacted via [ukraine@westberks.gov.uk](mailto:ukraine@westberks.gov.uk) or 01635 503579. I'm aware that residents have signed up to accommodate refugees and am concerned about the bureaucracy involved in this. We proposed an amendment to a motion at last week's council meeting urging the council to lobby the government to lift visa restrictions but the vote was lost.

Remember you can report problems including fly tipping, unemptied bins, and pot holes by searching for 'West Berkshire Report a Problem' on the internet or visiting [www.fixmystreet.com](http://www.fixmystreet.com) If it's urgent please email [customerservices@westberks.gov.uk](mailto:customerservices@westberks.gov.uk) or call 01635 551111. If you are not happy with the response you receive please contact me.

Best wishes

The pandemic shows no sign of abating, infact the number of cases is on the increase. We have been lucky to secure a number of free Lateral Flow Test kits for use by our members which will help us carry on safely.

During February we were visited by Mindset Massage. What a truly "mind blowing" experience that was and I believe several of our members are now attending their regular sessions.

The Downland Practice visited us to talk about their difficulties and more importantly successes. This was followed by an open discussion which I think everyone benefitted from.

Later in the month our friend Mike Hawthorne brought his family for a wonderful song and dance afternoon.

For the forthcoming months we, by popular request of our members, have arranged a visit of a local Hypnotist. Later on the Dogs Trust who will bring some of their charges and then what sounds to be a very interesting session by Mencap (The Yume Project - who will talk and show us how they offer life skills for those with complex physical needs, learning disabilities, autism, dementia etc).

On the 17<sup>th</sup> of May from 13:30 – 16:00 as part of Dementia Week we are planning to run a Fund Raising Café EVERYONE is welcome, not only members, to this event. As Easter is just around the corner we plan to run more craft sessions with an Easter theme.

As well as the organised talks and visits we still make time to relax and enjoy a cup of tea and cake interspersed by some good gossip. Some always find the quiet corner for those that want to make their own entertainment. Boy are we going to have a party when this jigsaw is finished.

For the benefit of all our members and anyone else you cares to pop in we are running a "jigsaw library" where we have a stock that they can borrow a puzzle from. This library will be open during normal club hours on a Tuesday.

Again I would like to say thank you to all those members both on the committee and not who have put in so much help to keep the Group so vibrant.

Finally just to remind everyone that we are open to all, not just residents of Compton. We currently have members from many of the surrounding villages and would be pleased to see many more.

Don't forget please feel free to bring a friend along.

**WEST ILSLEY (SOCIAL) RUNNING CLUB** If you're a runner, or even better, if you're not a runner but fancy getting going, the West Ilsley (social) running club meets on a Wednesday evening at 7.30pm at the Harrow. The route usually covers around 4-6 miles, varies depending on the weather and who's leading that week, and there's a mix of speeds and usually an alternative route with a shorter distance. We then meet back at the pub for some liquid refreshment. If you fancy joining, come along on Wednesday, or text Matt (Hebron cottage) on 07929 569 050. We've got a WhatsApp group, so we can add you to that even if you're not quite up for joining in just yet.
