June 2006

We have a new Editor this month - Liz Dray has joined me following Lynne's move from the village, so it's "many thanks" to Lynne for her support over the last couple of years, and "welcome" to Liz. The new system of distributing the WIN appears to be working well, with just the occasional hitch when a computer rejects it as 'spam'. If you're on the email list and you don't receive it by the first of the month, chase me - it may be that your computer has blocked it or I've messed up - either way, we'll sort it out.

What a very pleasant time we had on Sunday 14<sup>th</sup> May at the sponsored run, ride and walk. There was a very good turnout and the weather was kind, so hopefully lots of money was raised for some very good causes. After a leisurely stroll and chat (no medal ambitions here!) the barbecue and social time which followed at the cricket pavilion had me (yet again) saying what a smashing village this is! Andrea

### DIAMOND LIGHT SOURCE

#### **Public talk in Oxford, 26 June 2006**

Diamond is very keen to help the general public and business community in Oxfordshire to understand more about this science facility and what it will be capable of doing when it goes into operation next year. Two free talks are planned at the Said Business School on June 26th 2006 as follows:

#### **2pm - General Public:**

The first talk is open to the general public and will be held at 2pm. Dr Victoria Wright, a Detector Scientist at Diamond, will speak about the powerful machine that lies within the doughnut shaped building and give an overview of the scientific questions that Diamond will be able to help researchers to answer in the years to come.

#### **6pm - Business Community:**

Representatives from the county's business community are invited to the second talk, which will be held at 6pm. Nigel Moulding, Diamond's Finance Director, will give an insight into his role as Finance Director for this £380 million facility.

Please note that entrance is by ticket only, and to book a place for either talk, please call me (number below). More detailed information can be found on the Diamond Light Source website at:

#### **Raising the Roof – Mission Accomplished!**

You will all be pleased (and no doubt relieved!) to hear that the village has raised sufficient funds to completely re-roof All

Saints' Church! Work is scheduled to commence by Kevin Holloway in July and should take approximately two months. We have come a long way since we started the appeal 2½ years ago and it is a great tribute to everyone in this small village that we have managed to achieve this.

#### **Concert**

We were all treated to a magical musical evening by the gifted Simon Baggs and his talented uncle Martin Thorne at the end of May. From the challenging Bach Andante to the more lighthearted Misty by Garner, the duo displayed an astounding array of talent. It was also nice to welcome visitors from Martin's church at Ashford Hill where Martin was the organist for many years. The large audience was clearly moved by this varied and inspiring performance. A huge thank you once again to Simon and Martin in particular and also to all the Baggs family and the other helpers on the night. We are pleased to report that £683.55 was raised for general church funds.

#### **Plant & Cake Sale**

This friendly village event raised £420 for church funds – thank you to all who donated and all who supported!

### FUN RUN/WALK/RI DE/CYLE Tony Scriven

The WI fun run/walk/ride/cycle was once again blessed by fine weather, the sun breaking out within 2 minutes of the OFF and remaining with us for the day. This year was dominated by the cavalry who were out in force, and although not a race, young Storm was the first to come home. The running section was hotly contested, the men's medal staying in the village after a fine run by Pete Oliphant. The women's event was won by Annie Butterworth from Nottingham, with Carol Driver and Barbara Coakley filling the runner up slots. Other medal winners were Will Carlisle (bike) and Pete Carlisle (bike). The junior girls run was won by Natalie Butterworth with Ellen Scriven in second, Tom Scriven winning the Boys event.

A great barbecue on the cricket pitch followed, with proper burgers and sausages. It was a real village affair and great to see so many together in one place. The barbecue team of Richard Gore, Pete Carlisle Andy Driver and others, slavishly worked under the direction of Taffy 'the grill' Staunton. Most importantly, over £1000 was raised for charities. Lives will be saved as a result of everyone's efforts.

Thanks are due to Jo Scriven, the Axtells, Anna Sugden, the Fewtrell-Smiths, Lady Allendale, John Verney and the Cricket Club. Also thanks to the Harrow for donating the profits of their quiz night. Most of all a GREAT thanks to all who took part and raised such a big sum of money.

**CHILDREN'S CHURCH,  
ALL SAINTS CHURCH**

**Afterschool Service**

At the May service the children had great fun acting out the story of the Crossing of the Red Sea with a make believe sea in the churchyard.

Dates and themes for forthcoming services will be as follows:

**Thursday 15 June – David and Goliath**

**Thursday 13 July – Summer Tea Party at the cricket pitch**

Our Afterschool services are held at 4pm in the church and are very informal with songs to well-known tunes and a simple story to listen to. The children have the opportunity to become more familiar with the church and learn about prayer, religious festivals and other topics in a relaxed atmosphere. The services are aimed at all ages from babies to older ones.

The services are well supported but we would love to see new faces or friends from both in and outside the village. Do come and join us if you have a free half an hour.

**Mums and Tots Coffee morning (for the very young and their carers)**

This is a monthly get together at The Rectory in Peasmore from 10am – 11.30am. It is an informal gathering where the Mums and carers have a chance to have a coffee and a chat and the children to play and sing. Forthcoming dates are as follows:

**Thursday 8 June**

**Thursday 6 July**

If you would like more information about either of these services please contact Denise Brown on 01635 281825 or Liz Dray on 01635 281688.

**WIN WALKS walking in the neighbourhood Fred Carter**

A circular walk starting from Leckhampstead 4½ miles. Map O/S Explorer 158

Start the walk from the War Memorial in Leckhampstead Street.

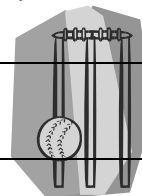

The war memorial on the green is of particular interest and consists of an obelisk with a clock. Around the memorial are staddle stones surmounted by shell cases linked by a chain. The chain came from a battleship which fought at the Battle of Jutland during WW1. The clocks hands are bayonets, the roman numerals are rifle bullets and the minutes are marked by machine gun bullets.

Start the walk by heading away from The Stag public house and take the road around to the left towards Chaddleworth almost immediately you will find a track on the right running along the right hand side of some houses....Follow this track for about ¾ of a mile and stay on it as it bears sharply right and continues for 200 yards to join the Wantage Road.

...Turn right, then after about 20 yards, opposite the electricity sub station, turn left, Take great care crossing the road and take the path opposite up the bank. Keep the hedge to your left and follow the path as it climbs and then curves to the left.

Ignore the gap on the left and continue straight ahead keeping the hedge on your left. At the top left hand corner of the field join a narrow woodland path that leads to a minor road. Turn right here and follow the road to a T junction at the edge of Peasmore by The Fox and Hounds public house....Turn left and almost immediately right along a clearly defined path, stay on this path until it joins a minor road, to your left you will find St Barnabas Church.....Turn right here along the road until you reach a road junction at a triangle of green, turn right and stay on the road until a T junction. Here go ahead across the grass to join a clearly defined track which leads you back to the Wantage Road at Egypt. Turn left towards Newbury for about 200 yards. Turn right, cross the road very carefully and take a grassy path that leads you back to the War memorial.

Our policy is that we are very happy to put residents' ads in the WIN at no charge, and in addition will take advertisements from small businesses in the area if we feel the goods or service might be useful to residents and they are recommended by someone known to us.

### MAJOR CHANGES TO VEHICLE USE ON THE RIDGEWAY NATIONAL TRAIL

A considerable length of The Ridgeway National Trail previously used by recreational vehicles will be free of such traffic in the future.

Over 22 miles of The Ridgeway through Oxfordshire and West Berkshire have become 'restricted byways', a new category of public right of way introduced under the Countryside and Rights of Way Act 2000. Restricted byways can be used by walkers, cyclists, horseriders and drivers of horse-drawn carriages, but not by recreational vehicles such as motorcycles and 4 by 4s. The Act applies to the whole country and

any public right of way that was previously termed a 'road used as a public path' is now a restricted byway.

Nearly 18 miles of The Ridgeway west of the River Thames is now a restricted byway from south of the village of Bishopstone (southeast of Swindon) all the way east to above the village of Compton, west of Goring-on-Thames. East of the Thames, over 4½ miles from Britwell Hill near Watlington to the A40 is also now a restricted byway.

"Our National Trails team will be changing the signage on The Ridgeway this summer to make sure everyone is clear about these new sections of restricted byway", said Margaret Caddick, National Trails Officer. "Information will also be updated to include advice on restricted byways for all users of the Trail, to inform them of where they can legally go and to whom they should report any problems."

Although it may take some time for everyone to become aware of this change, in time recreational vehicle use of The Ridgeway will become much reduced. They will still be able to use byway sections of the National Trail in Wiltshire and West Berkshire mostly from April to October only, and a very short section in Buckinghamshire, but this constitutes just 17 miles of the 87 miles of The Ridgeway.

For information about The Ridgeway, contact Margaret Caddick, National Trails Officer 01865 810248. For information about restricted byways in West Berkshire: Keith Ulyatt, 01635 519125.

## TITTLE TATTLE

Polly Muir

Well, someone fairly prominent recently declared this to be the wettest drought they had ever experienced. As I made my way to Wantage (that most famous of local grails, home of Waitrose and all that wonderful about middle England!) and I found myself axle deep in water, mud and stones I had to agree. As we know, the reservoirs are almost replete, but the water table is low - perhaps Liz Dray could tell us what it is. I bet our water comes from some underground source somewhere straight off The Downland at Farnborough. But, thus it was that I found myself instructing the family (and resident) that we should save water. Already on a meter, we have, of course, been diligent for years (no need to even think about it!). As any neighbours could confirm, little car-washing takes place (no telltale dribbles or torrents down our front drive!) but most of the household does take frequent showers. I had the temerity not only to suggest we restrict showering to once a day, but that one turned the water off whilst soaping up and then turn it back on again to rinse all deposits and grime (just like you do on board a boat when you're on rations!). What an outcry! You would have thought I was asking for pork in a synagogue. Well, if I have to queue at a standpipe for my gallon of water, it is them I will blame. They did concede they would turn the tap off whilst tooth brushing took place and I shall cease, forthwith, all household tasks that use valuable resources (good!). However, after this week's incessant precipitation it seems less and less likely that we need to worry. On a serious note, I do appreciate that we each need to do our bit, though and that it is longstanding lack of rain that has caused this problem. In this wettest drought, it is extremely difficult to get the 3ft high grass trimmed! I am about to attempt it!

A great evening in the church with some exquisite music rendered unto mine ears! Simon and Martin gave another fabulous concert and how special it all seems with homegrown talent. Live music is always a pleasure and exciting, and there were a couple of my own favourites played, so I went home very contented.

Last month, I reported (but it didn't make press) (*many apologies Polly, editor error – don't know what went wrong*) that we had participated in a very successful evening at The Harrow. A quiz night (with optional food included). Well, this time, it was not, for our team, the celebration that the last one was. We went from top of the bus tour round the village to The Wooden Spoon award. Three university graduates, all dim as heck, thick as pig wotsit!! It was another of those evenings when you'd really wished you'd paid more attention when reading the newspaper, watching the tele or listening to the radio and you kick yourself when you find out The Right Answer. It was so reassuring (mostly for my patients!) to know I could still recall the number of teeth in a mouth - I didn't graduated for nothing, after all. I resolve to learn and remember more. Pete, Jacqui, Hayley and Chris hosted a fun event: the food and drink was good, company most enjoyable and the atmosphere great. It is a pub that embraces all people and most tastes. The village has a local they can retreat to and the visitors have a pleasant haven they can visit; this pleases all parties. Critically, the menu covers all purses and palates, so go there! Have a pint (or half of something - anything!), take a friend, revisit the place, rekindle your innermost inn-spirit. There's something for everyone. Have a rest from the roast on a Sunday - put your feet up of a weekend lunchtime and let someone else do the cooking. We did - it was so relaxing to be served with food someone else has cooked without driving a million miles to get there.. Do it soon!!

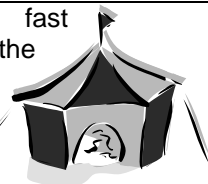

## PRE SHOW DANCE

SATURDAY 8TH JULY

The pre show dance, 'The Strawberry Ball', to be held in the marquee on Saturday the 8 July is being organised this year by the cricket club, so make sure you have the date firmly noted on the calendar. A live group, string quartet and disco are due to provide the music - something for everyone. Tickets priced at £15 to include buffet. For further information please contact Kevin Holloway 01635281556

## WEST ILSLEY FETE

The West Ilsley Fete is fast approaching and this year the Fete will be bigger and better than ever. Preparations are well underway, and as usual we need your help. By popular demand we have increased the number of games and sideshows for the children, but this means that we need more people to help run the stalls. Please let any of the committee members know if you can help out – even for a few hours.

It's good fun and most people benefit in one way or another from the money raised at the fete. We are collecting books, high quality bric-a-brac, side-show prizes, raffle prizes, items to fill a hamper, bottles and unwanted crockery for the crockery smashing stall, so please have a rummage and see what you can spare. Do any of you work for generous companies that have items to donate? Contact Karen Miller on 281876, Kath Carter on 281621 or Sue Simmons on 281460 if you can offer help, prizes or any of the above items for the stalls.

### **Fun Dog Show**

This year we have a **Fun Dog Show**. This is being run by Katharine Gibbs (1 Church Way). The dog show will start at 2pm on the day and there are classes to suit all dogs and owners:

- Class 1: Dog with the waggiest tail
- Class 2: Best party trick
- Class 3a: Best handler aged 7 and over
- Class 3b: Best handler aged under 7
- Class 4: Dog the judge would most like to take home
- Class 5: Handsomest dog
- Class 6: Prettiest bitch
- Class 7: Best in Show – winners from all classes invited back

Entry fees will be £1 per class. Katharine has already obtained sponsorship and prizes from the Harrow, James Wellbeloved, Vale Hydrotherapy Pool and Perfect Paws Grooming, so it will be a great event. Please contact Katharine if you need more information.

### **Produce Show**

It is time to start preparing your entries for the **Fete Produce Show**. The full list of classes is printed below. Entry to the classes is **FREE**. Just bring along your entries on the day, write your name and class number on a label (provided) and stick it on the underside of your entry, and then place your entries on the tables according to the classes marked. There will be Rosettes and Prizes for the children and Cups for the overall winners in the adult categories. The **MEN ONLY** competition is to make **SCONES** this year. Look out for the **WIN** next month when a recipe and full instructions will be provided for those who need it! Are you willing to let Russ Brown or Fred Carter win yet again?? The potato-growing competition is coming on nicely. I have seen some excellent plants. Will last year's record for the highest weight of potatoes from one plant be beaten? Two children came first and second last year..... For those of you who entered, please bring along your plants on the day for the final weigh-in. Please note that the **Fete starts at 1pm** this year and you have to bring your produce show entries in by **1-30pm** to allow time for the judging. Good luck to you all and please enter as many classes as you can.

The competition for the **Best Hanging Baskets** and **Best Garden** will take place again this year. All you have to do is put out your hanging baskets and make your garden look extra-special. It costs nothing to

enter and there are cups for the winners. Judging will take place during the **weekend before the fete**.

## Village CAMP OUT & BBQ

The Village Hall Committee are pleased to announce that the annual Village Camp Out will take place on Saturday June 17th (from 2pm) and extend through to Sunday 18th (10am).

It will be centred around camping, with an afternoon activity around the camp and in the woods followed by a camp sleep over.

The aim of the Camp Out is to invite all West Ilsley villagers and ex villagers to enjoy a camp out together and for all ages to mix and socialise.

Details as follows:

### **Part 1 – Saturday afternoon 2-5pm**

Activities for all ages of children who can be left (under 3's accompanied please), led by volunteers from the village.

under 5yr olds – mini treasure hunt and games

5-8yr olds – camp skills + adventure trek

8yr plus – tracking and adventure trek (min 2hr walk)

To conclude the afternoon, hot dog tea and marshmallows for all cooked on the fire.

### **Part 2 – Saturday 5pm to Sunday 10am**

From 5-6pm the camp is prepared for the night and for those children staying a responsible adult should arrive. Tents are put up and we strongly recommend that this is done as a family activity after 5pm. We then play games and enjoy a family BBQ supper in the evening (from 7pm).

Cook breakfast, take down camp, clean and tidy up. Finish 10am Sunday.

Open to all West Ilsley children of any age.

Part 1, all children over 3 can be left, but helpers welcome and needed.

Part 2, a responsible parent/adult/volunteer to accompany (on a ratio of no more than 1 adult to 4 kids), help out and sleep over from 5pm to 10am.

The camp site is located 1 mile outside West Ilsley. Take the Catmore road and follow the signs. Park inside the gate on the LHS.

All food and drink is included for Part 1. For Part 2 please bring your own supper. We shall have a BBQ fire going so we suggest you bring something to cook and your own refreshments. Juice and water will be available throughout plus tea/coffee, sugar, milk, cereal, bacon, bread and jam for the morning. Please bring anything else you wish to eat or drink. Adults bring your own – cork screw and barrel of bitter supplied!

There will be a charge this year (£10 per tent), and we do require your signed booking form in advance. Without this we cannot accept the child/ren. The weekend will go ahead whatever the weather!!

To join in, wear appropriate old clothing that you don't mind getting dirty or torn. For Part 2, the following kit is required.

- Tent for you and your child/ren. Do try to acquire one or buy a cheap one (Milletts/Argos £40)
- Thick sleeping bag/duvet and Sleeping mat (optional)
- Waterproof top and trousers
- Thick wool jumper or fibrepile
- Spare warm trousers, socks and long sleeved shirt
- Warm hat/gloves and good shoes or boots
- Torch
- Plastic mug, plate & bowl plus cutlery for you.

Do not bring anything electrical, any money or excessive sweets. (While it is nice to have a few sweets to share – when every child brings a large packet they then often feel sick!). Please be aware that they are only going for one night!

We hope this provides a great event for all ages and we look forward to hearing from you. Any adults willing to lead an activity/trek please come forward asap.

Please return the form to Angela Hyde, Forge Cottage. Tel 281500 or Alison Banks, The Poplars Tel 281705
