WIN EMAIL ADDRESS

The old email address will stop working soon, but unfortunately lots of phones and pcs are too clever for their users and are insisting on using the old address. This could mean that an urgent email is missed by us and not circulated – so please, when sending us an email, double check that it's the right address or you may be disappointed when we don't send it round in time.

ALL SAINTS' CHURCH

May Services at All Saints' Church

7th Family Communion 9.30am

14th BCP Communion 8.30am

21st *No Service in West Ilsley

See Café Church below

28th Family Service 11.00am

*Please see the lych gate notice board for details of other services in the Benefice or go online at www.eastdownland.org.uk

Café in All Saints' Church

The next café in church will be on Sunday May 14th, from 10am to 11am, after the usual 8.30am service. There are crafts for the children to do (grown up children have been spotted too!), so just drop in during that time for a cup of tea or coffee, cake and a chat. It has become very popular even with the occasional visitor from outside the village and we would love to see you there. There is no charge, but any donations on the day will go to charity.

Easter Weekend

The Bank Holiday weather was kind to those who took part in the Good Friday Walk from West Ilsley to Beedon, via Farnborough and Peasemore. Many

thanks to those who attended the Spring Clean before Easter and to all who decorated All Saints' Church so beautifully for our communion on Easter Day.

Annual Parochial Church Meeting

This was held recently in church and Ian and Alexandra were once again elected as Church wardens, while a new member was welcomed to the Parochial Church Council. Thanks was extended to all those who contribute to church life here in West Ilsley, whether by donating their time, money or skills. In his report, Revd John Toogood also gave his own thanks to everyone for their help and support in 2016, especially during his sabbatical.

*Café Church

This delightful and very popular service continues on Sunday 21st May, at St Mary's Church, Chieveley. The service, which follows a United Benefice Communion Service at 9.30am., starts at 11am, but do come at 10.45am for refreshments beforehand (the cakes are legendary).

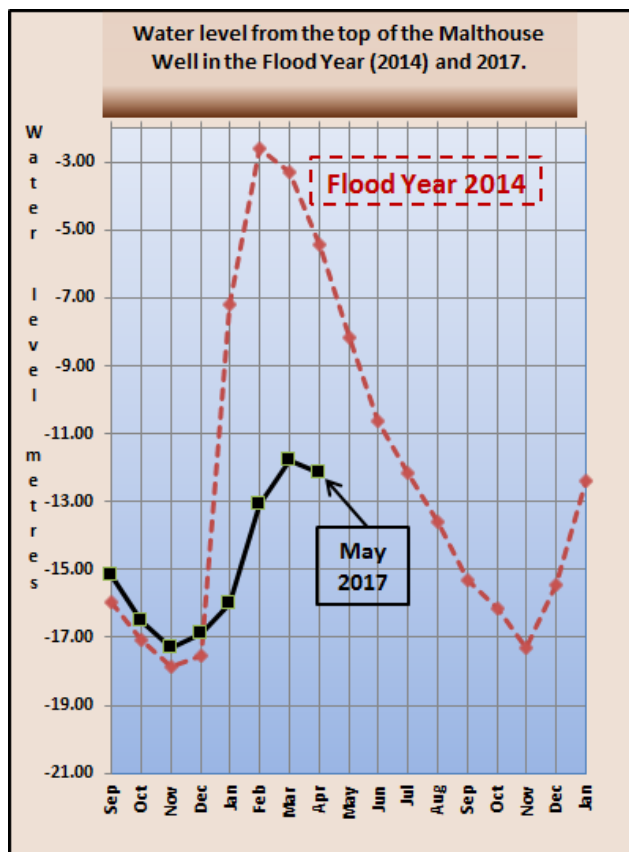

Contacts

If you have anyone or anything specific you would like mentioned in church prayers at services throughout the year, do speak to either Ian (281625) or Alexandra (281306). To receive by email a copy of the weekly pew sheet, which contains readings, prayers and notices about church events in the benefice, please contact the East Downland Benefice Office on eastdownland@btinternet.com or phone 07957 458107 and leave a message. The office is usually open on Thursday and Friday mornings and can be contacted in the first instance for information about baptisms or weddings. For any other reasons, you can contact Revd John Toogood on 01635 247566 or email him at edownlandrector@gmail.com

MALTHOUSE WELL

As predicted in last month's WIN the Malthouse Well level peaked in mid-April at 11.77 metres (approx. 38.6ft) below ground level and it is now on its way down during the summer months. Unless we have a very wet summer it should not start to rise again until the late Autumn. Interestingly this April has been one of our driest months ever on record with less than 10mm rain compared to a typical months rainfall of 50-80mm.

ILSLEY EVERGREENS

The Evergreens started their coach trips with a visit to Gloucester on the 26th April.

COUNTRY NOTES

18th April

Four swallows and three house martins circle the village pond; the swallows swoop low, sipping water from the surface; the martins hawk for flying insects. The water in the pond is the colour of milky coffee, not the most welcoming drink for these new arrivals but it doesn't seem to bother them. It is this colour because it hasn't rained for a month, the water level is low; on the positive side the falling level has exposed areas of soft mud, the perfect building material for their adobe nests.

The house martin is a lucky bird, it is said that any house on which it builds its nest is forever blessed with happiness. Conversely it is also considered unlucky to knock down a martins nest.

The following quotation is taken from "A glossary of Berkshire Words and Phrases" written in 1888 by one Major B Lowsley

"Where martins build their nests poverty never reigns. No one will take the eggs of a martin or kill these birds and good luck and prosperity are believed to come under the roof around which they build. Their nests are only destroyed when feathers protruding from the side aperture show that sparrows have taken possession and turned out the rightful owners; then a long pole I brought and the mud structure poked to pieces to the destruction of the eggs or young family of the pirates. It is considered a sign of bad luck to those living in a house if martins having once built around the roof discontinue to do so."
