EDITORIAL POLICY

We are editors (though we don't edit unless we have to) – we are not reporters, so we only write something if we want to. We rely on villagers to contribute news and information and welcome updates from groups, committees and businesses to let the village know what is going on in their area of interest. We are always happy to receive feedback about WIN so please get in touch if you have anything to say.

DISTRIBUTION

Our aim is to reach every dwelling in the village. Most homes have signed up to receive WIN by email, but for those who haven't, the Parish Council produces paper copies which are delivered by volunteers. If you have received a paper copy of this newsletter but have access to email, please join the email distribution list by contacting westilsleynews@westilsley.org – help to save paper and shoe leather!

PARISH COUNCIL UPDATE

On behalf of the Parish Council I would like to thank Alan Beaumont for his 10 years as a Parish Councillor. During his tenure Alan served as councillor, vice chairman and chairman. The Parish Council currently

has a vacancy and expressions of interest have already been received. We hope to have a full complement of councillors within a few weeks.

The Parish Council held an additional meeting on the 22nd June to discuss part funding replacement village hall windows. The funding was approved and the project will be part funded by grants which the village hall management committee has obtained. It is hoped the work will be completed before the winter months arrive.

It is great to see the pub reopen, and I wish Martin and Liam all the best.

I will aim to provide updates to the village via the WIN after each meeting. Our next scheduled meeting is on the 5th September.

Graham Woods - Chairman

WEST ILSLEY ARCHIVES

You may recall that some months ago a request went out from the Parish Council for help with a lot of old village documents and photographs which had been stored in a village loft and now needed to be reviewed and decisions made about their future. Amanda Knight (who is studying to qualify as an archivist) volunteered and I have been assisting her. It has taken some time to complete but between us everything has been catalogued for the PC, and recommendations made as to what happens to it all. We expect quite a bit to be deposited at Berkshire Records Office, some of which we will also scan to the village website. Other items may be disposed of. This all awaits a formal decision from the PC, but in the meantime we thought it would be great to give the village the opportunity to see for themselves, and also some of our older residents may be able to put names to some of the faces in the photographs and perhaps fill us in on some background. There are maps, photographs and various village histories, some of which going back to the late 19th century. Who knows, you may discover an unexpected windmill, pond or well on your plot or simply be interested to see how your patch looked before it was developed.

We have booked the village hall for 22nd July, and from 2 until 5 we plan to be there with the files and boxes for you to have a look. Please note that this is very informal, and isn't an "exhibition" so it will be a case of having a look at what might interest you. Amanda will be on hand to look after the more fragile, unique items which we hope that the Berkshire Records Office will accept into their archive. Please don't be offended if we ask you to wash your hands if you want to handle an item (although white cotton gloves won't be required!).

We have no idea of the interest this might attract, so to give us an idea of numbers please will you email

WIN or ring 281224 (leave a message) to let us know if you are planning to attend? Thanks, Andrea

THE HARROW RACING CLUB

In conjunction with the Harrow we launched The Harrow Racing Club earlier this year. The Club are leasing My Ambition, a handsome four year old gelding for the 2023 flat season. It has been a huge success with membership nearly full and not only that My Ambition has won two races very impressively at Bath, from just three starts. With the re-opening of the Harrow last weekend, many members celebrated his second win last Saturday on their return from the races.

NEWS FROM THE ILSLEYS PRIMARY SCHOOL

Written by 2 Year 6 pupils and 2 Year 5 pupils

This term, we were very lucky to be able to have an outdoor classroom built on the grass field behind the Arctic play area. It means that, when it is very hot, we can work outdoors in the sun. It is really nice and we all love working in it! We were really lucky as FIPS purchased it. We have also brought out the table tennis table and equipment so we can all play ping pong at lunch and breaks in the summer. It is super fun to play with!

In other news, Pacific Class got to enjoy a trip to Englefield where they did lots of different activities. First, they learnt how to build a roof with tiles in the woods. They also did farming food and learnt about how crops make our food. As well as that, they learnt about trees and how they are farmed. They really enjoyed everything and had lots of fun! Arctic Class have been to Studley Grange for a school trip to see some butterflies, a racoon and lots of other different animals. They really enjoyed going.

On the 15th June, seven Y5 and Y6 children went to a Maths Challenge which took place at The Downs. Firstly, the chosen students were split up into teams and had to figure out various questions. Then they had three rounds of mathematical puzzles. They really liked the challenges and they really enjoyed it.

In Arctic Class, they have had the new Reception pupils for next year come in and visit their new class. They have had a story time to welcome them to their new school. They have also visited for the afternoon. We look forward to them coming in for a whole day soon! For two days, the Year 6s have had their induction days to get used to our new school. This includes having lessons that we will have when we go to The Downs. We went to The Downs for two school days, the 20th and the 21st of June, and the days consisted of exploring different secondary school subjects including Science, Maths, English, DT, PE and Drama. We all met lots of new friends from different primary schools, which was very reassuring as they were in the same position as us.

The Year 5s had an amazing workshop this week from the NSPCC charity. A very nice lady came and talked to them about what they do and who they help. They taught them a way to memorise ChildLine's number – which is 0800 1111- and what types of bullying and abuse there are, as well as what to do if you see it happening.

On the 21st June, a lady came in to talk to us about the upcoming Summer Reading Challenge, which is called READY, SET, READ! It takes place from 1st July and ends on the 15th of September. To complete the challenge, you have to read six different books in that period of time. They can be different levels of difficulty

depending on your choice and you could pick any library in West Berks to get your selection.

Some children competed in an exciting swimming gala which took place on the 22nd of June; they enjoyed it immensely. They each performed their favourite strokes and tried their very best to win.

We are looking forward to more exciting events in July!
