1 December 1998

PARISH COUNCIL

You may have noticed the "dog fouling" signs which have appeared around the village. These are accompanied by "poop scoop" bags which can be found inside the notice board in front of the Village Hall, but please don't leave them there after use.

Consent for the Gazebo has been granted so now we have to resolve the problem of car parking at that end of the village. Any ideas?

Once again flooding outside Gretna has been a problem. The Parish Council hopes to raise the priority for action with the West Berks Council as it causes gross inconvenience to householders and has become a severe danger to traffic.

Next meeting Monday 18th January 1999 at 7.00 pm in the Village Hall.

TITTLE - TATTLE

It's Merry Christmas time so I hope that the editor has wished everyone a Bah Humbug Christmas (he dislikes the Festive Season for all its commercialism and the fact that everything shuts down so that he can't achieve anything).

Past news first: I must apologise for omitting to report the wedding of Tracey Nash to Graham Larkinson. This happy occasion took place back in September and I didn't know whose wedding it was when I saw it take place. By the time I had been put right, poor Tracey and Graham find themselves being congratulated months after the event! Sorry it took so long and I hope that you are both enjoying wedded bliss.

I really enjoyed the wonderful Halloween disco. The transformation of the village hall was staggering and quite stunning. The carved pumpkins had been so cleverly presented, the intricacy of the work was amazing. A great evening.

Present news: - Congratulations to Jo and Tony Scriven on the arrival of Thomas Anthony, born on Wednesday 18th November and who is rumoured to weigh 8lb 2/4/6oz (according to my source in the pub). Jo must be the only woman in history who would have liked a 12 month gestation period!

I was very saddened to hear of the resignation of Lord Huntingdon. Not only to learn of the demise of the yard but to realise that the closure of the yard will mean that the very backbone of this community will be fractured. All the people we see (or don't see) going to and from work at varying hours; the guys on their bikes, the ones that you see around the village at lunchtime on weekdays, those who walk their

dogs.....they are not going to be here if there is no West Ilsley Stables and I am mighty sad about that. This village could turn into a dormitory of commuters or weekenders households of people with two cars all purposefully travelling to and from, to and from wherever to West Ilsley (just like us). Thank heavens there are still two working farms, though with the advent of mechanisation and larger vehicles there are fewer farm workers than of yesteryear. I hope those of you from the yard who move on to pastures new will be happy and know that we shall all miss you in the village. I know I am not alone in expressing these sentiments.

I seem to have made up for my silence of the last few months with a huge column this month. I also apologise for the lack of chasing for material and articles. The news is noticeably thinner when I fail to remind people but there are the stoic few who remember month by month. (Thank you Ian F-S and Dave Morris particularly). I am now going to tell you that my New Year's Resolution will be...No! I'm not.

Thank you to all those who do contribute, reminded or not, and those who distribute and particularly to Andrea who nobly types a lion's share each month.

A very Happy Christmas and a grand New Year to y'all. See you in the pub.

PRAM SERVICES

We were delighted to have a large number of babies and children at the pram service in November. The children looked at a small statue of Mary and an angel and heard the story of the angel Gabriel coming to Mary to announce the birth of Jesus. As usual they all had fun playing their instruments during the songs and forming a procession into the church.

There will be a special Christmas pram service at 11.00 am on Tuesday 15th December in the Church. Do come and join us, the services are for 0-5 year olds with refreshments for the children afterwards.

Carol Services

There will be a card popping through the letter flaps in the village within the next few days giving all the details of the Christmas services within the benefice. Watch out for the special notice about our carol service in West Ilsley on 13th December. The service will be in the churchyard (or inside the church if wet), accompanied by the Wantage Silver Band. The Christmas tree in the churchyard will be lit up and you can sponsor a light in memory of a loved one. Contact Avice (281341), Janice (281345) or me (281625) if you would like to help to illuminate the Tree of Light. There will be mulled wine and mince pies afterwards. It promises to be different - and great fun, but remember to wrap up well and bring a torch!
